"As you grow older, you will discover that you have two hands – one for helping yourself, the other for helping others" – Audrey Hepburn. Incorporating this

statement into her daily life, Diana Mendez (Service Center Administrator located in Sunrise, FL) reminds her children daily of how blessed they are. Diana was the employee who was tasked with organizing a clothing drive by COO Ernie Garateix. Diana says, “What started as a simple task became a group effort at our offices. We encouraged our teams to think twice while entering their closets, think of all the clothes they have not worn and whatever didn’t fit and be able to make a difference in someone’s life.”
